

HEINE, E.

14 May 1963

SUBJECT: 13 May 1963 Meeting with J. RAUS

1. Undersigned met with J. RAUS on 13 May 1963 from about 1230 to 1330 hours in a downtown DC cafe.

2. ITEMS DISCUSSED:

a. The meeting was held primarily to furnish RAUS with additional supplies (he was given 600 cards) in order that his wife could continue typing the material furnished her earlier. RAUS reported that she will complete the material given her within approx 4 days. Undersigned, who in the meantime had spent some time filing the finished cards prepared by Mrs. RAUS, also used the occasion to point out certain errors (lack of cross referencing in case of hyphenated names, poor alphabetizing, etc.).

b. RAUS reported that

Erik HEINE

visited NYC during the 4-5 May weekend and Lakewood, N.J., on 11 and 12 May. He will show his film in Baltimore on 18 May and tentatively is scheduled to visit Washington, D.C. on 19 May. On each occasion, he is the guest of the local LEL organization which makes the arrangements for showing the film, attracting an audience, etc. Admission is \$2.00. The money collected will be used to defray the expenses of the production. HEINE has made an appearance on each occasion and has presented a "skit" to go with his movie of the "Life of an Estonian partisan living underground". His schedule after D.C. has not been formed up to date; RAUS knows only that HEINE wishes to proceed West, probably as far as the West Coast, in order both to tour the US and to present his film to the various Estonian emigre groups along his itinerary (or rather his itinerary will include the centers of Estonian emigres). According to word received by RAUS from his LEL officers in Lakewood, the film is a "rah-rah patriotic" thing which appeals essentially to the emotions. RAUS stated that he plans to have HEINE as his house guest during the latter's visit to D.C. RAUS was generally acquainted with the Agency's position on HEINE (that he is a Soviet dispatched agent). Undersigned suggested only that RAUS exercise caution, not betray his knowledge to HEINE, and to keep his eyes and ears open to learn more about HEINE and his background.

c. Tentatively, RAUS and the undersigned agreed to have the latter meet RAUS' wife (to get Secrecy Agreement, to brief her, etc.) on Friday 24 May sometime after work.

d. RAUS reported that the organization of the DC Chapter of

of the LEL was progressing satisfactorily. At the undersigned's request, RAUS agreed to prepare a brief report, naming personalities who are playing a prominent role in this.

e. RAUS reported receiving a personally signed letter from J. E. Hoover, together with unspecified literature, after RAUS appealed to the FBI by letter to request information for the LEL concerning the identification of Soviet subversive activities in the USA.

f. Cover-wise, it was agreed between RAUS and the undersigned that the undersigned was a former Army pal whom RAUS had met while serving in France.
